

Ham Cachets Feb. 2001 News

GREETINGS -- It's been a few months since the last mail out (thanks for your patience) and now we have a new president, and I have a new Dell computer and color printer. I have been very busy learning many new things! My email address is lois@hamcachets.com

I enjoyed a 12-day Fall Foliage cruise on the St. Lawrence River. A 3 day jaunt to Laughlin, NV for a bit of gambling with my poker playing friends from the Island will be a treat after I get this mail out done at end of this week.

The cancellation service cancelled half of the Space Ach. Issue with FDOI and half with show cancel without consulting with me. I would have told them to do them all the same. Now I have a problem deciding what to send to whom, as I need many more cachets than I have, to give everyone what they want on this issue. Please bear with me, and know that I am stretching as best I can with what I have to work with.
